

- Notes:**
1. This drawing is based on survey information by Global Surveys. Measured Building Survey. Dated Dec 2017. Provided by Hertfordshire Constabulary Nov 2021
 2. Existing vertical timber trims along walls and wall paper in core to be stripped.
 3. Infill openings above doors (all around core)
 4. New partitions constructed off raised floors with cavity barriers below but all extend through suspended ceilings.
 5. Refix existing timber stair edgings at all levels and replace where missing to match existing
